

## WELCOME TO TOMMY RESORT

We are located in Haad Rin which is a bustling little town located on the south east tip of Koh Phangan. Visitors from all over the globe travel here to experience all the variety this seaside center has to offer. Whether you are looking to sit back and relax under swaying coconut palms or ready to party to the break of dawn, Tommy Resort has it all. And with accommodations suited for every wallet, you'll be sure to find a room perfectly suited to your vacation budget. We offer wooden Thai style beachfront and poolside bungalows for travelers on a budget as well as high-end luxury villas with private Jacuzzis.

If you have something a little quieter in mind Tommy Resort still has many other options to make this a memorable vacation. Grab your towel and relax on our beautiful white sand beach or at our crystal clear

salt-water pool. Spend the day working on your tan or go for a ride on one of the jet skis available for rent. Cheer your favorite team or join in one of the several beach sporting events held throughout the month sponsored by Tommy Resort.

Just a short walk from Tommy Resort there is lots for you to do. You can explore all the little streets full of great shops where you are sure to find some amazing bargains on anything from clothing, hand made jewelry and accessories to authentic Thai crafts. Enjoy a day of snorkeling on the sunset side. You can see all the colorful tropical fish that swim about the artificial coral display about 2 kms off the Haad Rin pier. There are also fishing boats for hire so you can try to catch some of the huge fish that roam the warm tropical waters. Tommy Travel offers half and full day land/sea tours around Koh Phangan as well as to Anghthong National Park.
