

## PHUKET INTERNATIONAL HOSPITAL

Phuket International Hospital is one of the largest and leading private hospitals in the region offering sophisticated diagnostic and therapeutic care in virtually every speciality of machine and surgery.

Phuket International Hospital specifically offers treatment to the needs of foreign tourists and foreign residents, treating thousands of patients each year. At Phuket International Hospital we have the enviable reputation of providing high quality and cost efficient hospital services, coupled with the warmth and caring nature that only true Thai hospitality can provide.

With such a comprehensive array of hospital services within easy access of all major tourist areas, Phuket International Hospital is the first choice for quick, modern and quality healthcare services.

## OUR PEOPLE

Our many years of experience have provided our staff with a deep understanding and empathy for the special needs of you and your family.

Our staff are highly skilled and carefully selected to ensure that we provide the highest standard of hospital care. Our focus is on the family and enhancing the bond between families, communities and the hospital.

#### OUR ACCOMMODATION

Our In Patient accommodation offers you premier facilities ranging from tastefully decorated private single rooms to VIP rooms. All private rooms offer an en-suite bathroom, phone and television.
